Douglas County School District**

PROGRAM

GIFTED AND TALENTED PROGRAM

It is the policy of the Board that all students in grades 2nd through 6th who exhibit gifted and talented characteristics will be offered testing for eligibility in the gifted and talented program. Students who meet the testing criteria shall be offered an educational program that is designed to ensure that the intellectual abilities of each student are challenged and used to the fullest extent.

As resources allow, the district will offer accelerated courses and enrichment at the secondary level.
