

**Board of Trustees
Douglas County School District**

STUDENTS

STUDENT PROFICIENCY

In accordance with requirements of state law, the Board of Trustees shall establish reasonable student minimum proficiency levels in basic communication and computation skills.

The proficiency of each student shall be assessed in accordance with Nevada Revised Statute (NRS). Procedures for such assessments shall include state testing programs.

The Superintendent shall develop procedures for a comprehensive testing program. Parents shall be notified of their child's failure on any proficiency test.
