**STUDENT USE OF BICYCLES AND MOTOR VEHICLES**

The Board regards the use of bicycles and motor vehicles for travel to and from school by students as an assumption of responsibility on the part of those students; a responsibility in the care of property, in the observation of safety rules, and in the display of courtesy and consideration toward others.

The Board will not be responsible for bicycles or motor vehicles that are lost, stolen, or damaged.

The Superintendent shall develop regulations for the operation and parking of bicycles and motor vehicles and shall disseminate those rules to all students so affected.
