

POST FALLS SCHOOL DISTRICT NO. 273

Series 400: Certified Personnel, Leave and Absence

Policy No. 404.6.1

Policy Title: District Granted Professional Leave Days

Page 1 of 1

It is the policy of the Board of Trustees that staff members are encouraged to participate in professional activities related to their subject areas. The administration may therefore grant, in addition to the negotiated professional leave days, leave so that certified personnel may attend regional or state subject area meetings which will be deemed to be in the best educational interests of the district.

When certified personnel take part in the activities of their subject-oriented professional organizations, they must apply for professional leave.
