**\*Students Must Complete 4 of the 7 Activities, to become a Patriot\***

### **1. LABEL ALL THE STATES & CAPITALS ON A MAP**

The fifth grade students will be responsible for knowing the location of the 50 states and their capitals. This can be broken down into regions per the attached. The requirement is fulfilled by labeling a blank map or pointing to the states and verbally naming each state and capital with a volunteer.

### **2. PRESIDENTIAL REPORT**

Research a U.S. President that you are not familiar with (Donald Trump, George Washington, Abraham Lincoln, and Barack Obama are not appropriate choices). Then choose one of the following to share your information.

Choice 1: Baseball Card – Create a “baseball card” using an index card that includes the following information:

On the front: Picture of President

On the back: President's name, Dates of birth and death, Years of Presidential term, Political Party, 2 interesting or important facts about this person.

Choice 2: Create a bio-cube for this president (see attached planning sheets).

### **3. CREATE A TIMELINE OF THE REVOLUTIONARY WAR PERIOD**

Your timeline should include at least 10 significant events from the Revolutionary War period. Each event needs to have a brief description of the event and include why this event was important to the time period. The timeline can be presented on a poster or digitally. Below are a few interactive timelines which may be useful in completing this requirement:

The letter should be a typed one page report or a handwritten two page letter. Students are asked to have a parent proof read their letter.
