

The Charlotte Catholic High School Athletic Association (CCHSAA) is pleased and excited to announce a new recognition program called the **Charlotte Catholic High School Athletic Association Scholar Athlete**. The purpose of this program is to recognize and applaud our athletes who attain First Honors (unweighted 3.70 GPA) and Second Honors (unweighted 3.50 GPA), as defined by the CCHS Handbook. Our student-athletes work hard both on the playing field and in the classroom, and we wanted to do something to bring their hard work forward. This recognition will give all students a chance to be recognized whether they participate in JV, Varsity or Club sports.

The CCHSAA will start with recognition of these students internally with the goal to spread the word outside of the school walls, to align with many of the college student-athlete programs.

Please join us in congratulating our very first **CCHSAA Scholar Athletes** who participated in **Spring 2018 Sports**. A master roster of all Spring 2018 Athletes was cross referenced with those students who achieved either First or Second Honors in Spring 2018 by the counseling department, to make up our final Scholar Athlete list attached. Seniors who graduated in 2018 are not included, since they are no longer students of CCHS.

In the future, we will be publishing this recognition after each semester to coincide with the First and Second Honors awards. Therefore, athletes in Fall 2018 and Winter 2019 sports will be eligible after we have completed the 1<sup>st</sup> semester. Recognition will be in February 2019.

We hope you are as excited as we are to lift up the hard work of our scholar-athletes under this new platform. The CCHSAA will be passing out smoothies this Friday for the scholar-athletes to kick off this new recognition program.

Congratulations to all who achieved this distinguished award.

Sincerely,

Kevin Christmas

CCHS Athletic Director
