

**Directory Information Notice**  
**Optional Parent Objection to Directory Information Release Form**

**Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Peaster ISD to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by September 1 or within 10 days of registration in the District. Peaster ISD has designated the following information as directory information:**

**Student name, address, telephone listing, electronic email address, photograph, and date and place of birth, as well as major field of study; degrees, honors and awards received; dates of attendance; grade level; most recent educational institution attended; participation in officially recognized activities and sports; and the weight and height of members of athletic teams.**

In accordance with the Family Educational Rights and Privacy Act (FERPA), the above designated "Directory Information" may be disclosed to requesting third parties without the written consent of the parent or guardian. However, the parent does have the right to prevent the release of the above designated information. **PLEASE BE AWARE THAT REQUESTING "NO DIRECTORY" INFORMATION BE RELEASED ON THIS CHILD WILL MEAN THAT HIS/HER NAME AND PICTURE CANNOT BE PLACED INTO ANY PUBLICATION SUCH AS THE YEARBOOK, ATHLETIC PROGRAMS, HONOR ROLL LIST, ETC.** This form must be returned to the principal of your child's school within the timeline noted above. Failure to return this form by that date will result in the above mentioned information being designated as "directory information" for your child, subjecting the information to release. *(Check only one)*

Release **NO** directory information for my child. (Please read the bold statement above).

Release directory information **ONLY** for school publications such as the yearbook, athletic programs, honor roll list, etc., but release no other directory information for this child to vendors or other requestors "outside" of the school district.

**HIGH SCHOOL STUDENTS ONLY:**

The federal law requires a district to provide a military recruiter or an institution of higher education, on request, with name, address, and telephone number of a secondary student unless the parent has advised the district that the parent does not want the student's information disclosed without the parent's prior written consent. *(Check only if you object to release)*

I choose to object to the release of directory information to a military recruiter or to an institution of higher education with the name, address, and telephone number of my secondary student.
