

## Wrong account or need permission to access an assignment or document:

If you are sharing a device with multiple users you may see a window that has the incorrect account or says you need permission to access this document.

1. Check and make sure the account that appears is the correct one. If it is showing the wrong account, click "Switch account". On the next screen select the correct account.

2. It may say “You need permission”. Check to make sure it is the correct account. If it is showing the wrong account, click switch accounts.

## You need permission

Want in? Ask for access, or switch to an account with permission.
