Field Day 2023

Dear Parents and Guardians,

Field day is quickly approaching. The date for this event is **Friday, June 2nd**, with the **rain date** scheduled for the Friday, **June 16th**. This year students in grades **K- 2** will be out on the field from **8:45 – 11:10**, while students in grades **3- 5** will be out on the field from **11:40 – 3:00**. To insure the continued success of our annual Field Day we must, as in the past, rely on the outstanding support from our parent/guardian volunteers. To keep Field Day running smoothly it is imperative that volunteers show up on time. Volunteers are needed to help supervise stations for the all-day event. All volunteers will need to have a background check completed prior to **May 19th**. Please [click here](#) to access the background check forms or if you prefer you can come directly to the school to fill one out. A copy of your driver's license must be included with your background check. Please be advised that background checks can take up to two weeks to be completed.
