Hello and happy Friday!

SBA Testing Starts Monday

Please remember we have an altered schedule next week to allow for state assessment administration. Please note the late start time for those grades NOT testing each day. Thank you for reminding your students to get a good night's sleep and eat a nutritious breakfast. Rosters will be posted in the Lyceum and on the wall in the main hallway when testers arrive on Monday morning. If you have questions, please email Ms. Kinney.

International Food Night

The Diversity, Equity, and Inclusion (DEI) Committee is excited to invite you to the first-ever International Food Night at ICS in the Lyceum on Tuesday, May 9, from 6:30 to 8:00 pm.

This event is an opportunity for us to come together and celebrate the rich and diverse cultures represented in our school community.

Join us for an evening of delicious food from around the world, as we showcase some of the best dishes from different countries and regions. From savory to sweet, spicy to mild, there's something for everyone to enjoy.

At International Community School, we believe in the importance of diversity and inclusion. We recognize and celebrate the unique perspectives, experiences, and backgrounds that each person brings to our community. Food is one of the many ways that we can come together, share our traditions, and learn from each other.

We hope that you will join us for this special event, as we celebrate the richness and diversity of our community through food. Let's unite and enjoy the flavors of the world together!. Please contact Tarek Azoz at tazoz@icsptsa.org for any questions.
