

**SUMMER TERM 2023 ENRICHMENT PROGRAMS
FOR INCOMING FIRST-YEAR STUDENTS
JUNE 26, 2023 – JULY 27, 2023**

Welcome to our Summer Term Enrichment Program for Incoming Students! All programs meet for four class meetings over a one-week period. Please review meeting schedules, instructors and the guidelines below. We ask that both students and parents/guardians review this information. These details outline the general expectations that our instructors address on a daily basis. Each teacher may have his or her own areas of emphasis so please be aware of what each class expects. Please be your best student and self during our time together. We wish you the best in this endeavor!

Mr. Shawn Dumas – Summer Term Principal
sdumas@centralcatholic.net

PROGRAM SCHEDULES

STUDY SKILLS FOR HIGH SCHOOL SUCCESS (Both sessions cover the same material.)

SESSION 1 (four meetings):

PRE-ALGEBRA POWER REVIEW (four meetings)

July 17th – July 20th 9:00 – 11:00 Mr. Grella

GENERAL EXPECTATIONS

- Please do not be tardy.
- Please respect your teacher and classmates at all times.
- Dress code should be presentable and within CCHS dress down guidelines with respect to what is appropriate for class. Hats, hoods, sunglasses, and revealing or inappropriate clothing that references sex, drugs or alcohol are not permitted.
- Eating and/or drinking while participating in a session is not acceptable. This is distracting and inconsiderate of your teacher and classmates. Students eating during a session may be removed from the class.

- **Note: Students who consistently ignore the above may forfeit learning access and all paid program fees.**

Attendance:

If a student is sick and cannot attend class or has to miss class for some reason, CCHS requires that a parent or guardian call the school to report a student absence:

- **Call 978-682-0260, extension 644 and leave a message for Mr. Shawn Dumas that contains your child's name and reason for absence.**
- **Any student who is absent for a class meeting should email his or her instructor to obtain assignments materials. Students should complete work missed during the absence to gain the most benefit from the program, ideally before the next class meeting. Unlike our required and for-credit programs, students do not need to attend classes for our enrichment programs.**
