Architect: RWS
KISD Contact: Don Blue
Contractor: ICI Construction

Project Description:

Vistas is an academic high school of choice. Students elect to attend because they desire choices in their educational program that differ from the traditional high school. The academic curriculum will be delivered using strategies that increase the relevancy of the learning by actively engaging students with real-life applications of knowledge and skills. Vistas opened for the fall semester in 2006.

Schedule:

Design: June 2005
Scheduled Construction Start: December 2005
Scheduled Completion: Fall 2006

Status:

Complete

Construction Contract:

\$2,721,959
