

# Temporary Buildings

These are views of the design of temporary buildings in Klein ISD.

Architect: NA  
KISD Contact: Don Blue  
Contractor: Stone Building Systems

## Project Description:

The district needs to purchase fifteen (15) temporary buildings over the next five years. Some of these buildings will replace existing temporary buildings that can no longer be moved. The others are new buildings to accommodate temporary pockets of growth. Three temporary buildings were built each year during 2005 and 2006 to accommodate growth.
