Last year's Land Trust Plan was the focus of this meeting. Where are we at regarding this Plan? The goals of the Plan have been met and there aren't any modifications of the Plan. The Land Trust Plan has been submitted to the District. It was mentioned that all funds in the Plan were used as designated and there was no roll over.

All computers are in the classrooms. Grades K-3 will not be sending computers home with the students. Grades 4-6 the teachers will decide if they want to send computers home.

The Dilworth safety plan has been uploaded to the school website for parents to look at. A question was asked if the safety plan could be included in the school newsletter as another means of informing parents of the plan. Phone numbers for parents to call in case of an emergency are still in the works with the IT department at the district.

A motion was made to approve the minutes from the January meeting. The motion was seconded and the minutes were approved as written.

A discussion was held regarding the date of the March SCC meeting which falls during Spring Break. A suggestion was made to move the meeting to March 21st. The motion was approved. The next meeting will be on March 21st at 7:30 a.m.

The remainder of the meeting was an update on data for this year's Land Trust. Discussions will be held during the next SCC meeting in March to finalize the Land Trust for submission for the 2023-2024 school year.

There being no further discussions, a motion was made and seconded to adjourn the meeting. The motion passed and the meeting was adjourned at 8:30 a.m.
