Topic: Self Discovery Amid the Pandemic

Describe a specific experience you had due to the 2020 Pandemic
and share at least 2 things you learned about yourself
because of that experience.

In what ways do you feel those self-discoveries will help you overcome future
challenges?

Considerations for your essay:

- *Take time to share what you discovered about yourself. This essay should encourage self-reflection.*
- *Were you surprised by what you learned about yourself?*
- *Did your experience help you appreciate something more than you did before your experience?*
