GOLFERS' CHALLENGE 2023

FRIDAY, APRIL 21, 2023

EMERALD LAKE GOLF CLUB

METROLINA CHRISTIAN ACADEMY'S 2023
GOLFERS' CHALLENGE IS PRESENTED BY:

GREETINGS FRIENDS OF METROLINA!

From the bottom of my heart, I want to say a special “Thank You” to all our sponsors and golfers who are participating in the Golfers’ Challenge. Your participation in the 2023 Golfers’ Challenge is a blessing not only to me but also to the staff and over 1300 students who attend our school. Your support does indeed make a difference in their lives for the Kingdom!

We are excited to be at Emerald Lake Golf Club this year for the Golfers’ Challenge and to provide an incredible experience for all our participants. MCA is blessed to have 120 golfers and many sponsors this year supporting our efforts. We have committed to raising more than \$65,000 through this year’s Golfers’ Challenge. Your support and efforts for this year’s tournament are truly an answer to prayer and will greatly impact the cause of Christian education at our school.

The funds raised from this year’s tournament will help to create opportunities for students in technology, facility enhancements, academics, fine arts, tuition assistance and athletics. The Golfers’ Challenge has enabled us over the years to continually enhance our campus and this year will be no different. God has used the Golfers’ Challenge to improve our campus and program and for that we are so grateful.

Our Advancement staff and volunteers have put forth a lot of effort today to ensure that the tournament will be a great time of fun and fellowship for you. We are here to serve you today. Please, do not hesitate to let us know of anything that you need.

Our mission at Metrolina Christian Academy is “To lovingly lead and equip our students for Kingdom living”. With your support today, you are helping us to achieve that mission. Because of your support, we will have the opportunity to tell more students about Jesus!

We love you and thank God for you!
