

## Year Level Equivalency and Placement Guide

| OIS year level | IB equivalent* | US grade equivalent | Typical student age (on 1 Sept) | Placement of students born on or before 31 August |                     |
|----------------|----------------|---------------------|---------------------------------|---|---------------------|
|                |                |                     |                                 | 2022/23 school year                               | 2023/24 school year |
| Pre-School 1   | PYP            | Pre-School          | 3                               | 2019  | 2020                |
| Pre-School 2   | PYP            | Pre-Kindergarten    | 4                               | 2018  | 2019                |
| Year 1         | PYP            | Kindergarten        | 5                               | 2017  | 2018                |
| Year 2         | PYP            | Grade 1             | 6                               | 2016  | 2017                |
| Year 3         | PYP            | Grade 2             | 7                               | 2015  | 2016                |
| Year 4         | PYP            | Grade 3             | 8                               | 2014  | 2015                |
| Year 5         | PYP            | Grade 4             | 9                               | 2013  | 2014                |
| Year 6         | PYP            | Grade 5             | 10                              | 2012  | 2013                |
| Year 7         | MYP1           | Grade 6             | 11                              | 2011  | 2012                |
| Year 8         | MYP2           | Grade 7             | 12                              | 2010  | 2011                |
| Year 9         | MYP3           | Grade 8             | 13                              | 2009  | 2010                |
| Year 10        | MYP4           | Grade 9             | 14                              | 2008  | 2009                |
| Pre-IB         | MYP5           | Grade 10            | 15                              | 2007  | 2008                |
| IB1            | DP1            | Grade 11            | 16                              | 2006  | 2007                |
| IB2            | DP2            | Grade 12            | 17                              | 2005  | 2006                |

\* OIS offers the IB DP only (other IB programmes are noted here for equivalency purposes)

--- denotes equivalent years for NEASC-accredited US high school diploma
