## **NMUSD Arts Update**

#### **Recognizing our Professionals**

by Tamara Fairbanks

When we acknowledge each other's work, we are uplifting our profession, the breadth of our work and celebrate the accomplishments of our students. It is important for us nominate and celebrate our accomplishments no matter how large or small because that educates the larger community of what high standards that we place on our students and ourselves. We know that much of our work is "heart" work and that "heart" ignite a passion in our students to strive to be their best selves.

On February 10, 2023. the Orange County Music and Arts Administrators celebrated our NMUSD Educators for making an impact on children's lives. The music educators that were nominated for their outstanding work in the arts were Andy Ball, Carolyn Hanson, Keli Marchbank, Cami Marseilles, Susan Stokes, Sandy Gilboe and former Trustee Charlene Metoyer.

Our top award winners were Sandy Gilboe for her outstanding work in Secondary Instrumental Music, Charlene Metoyer as an outstanding Arts Adbvocate, and Susan Stokes who received the Julianne McGraff award that is awarded for general education classroom teacher who advocates and incorporates the arts in her classroom.

Congratulations to all our awesome educators!
