F) Describe Perris High in one word: _____

G) Will you be taking AVID? circle YES or NO

Dear Parent/ Guardian:

Your student is applying to be in ASB, which requires them to complete this application and go through an interview process. Selection will be based on the application, interview, attendance record, discipline record, and grades. ASB is an A-G elective class that oversees the school's finances, pep rallies, school dances, and most activities that take place before, during, and after school. The class has different expectations than a traditional class. ASB members are required to maintain a minimum 2.0 GPA, a letter grade of B or better in the class, this includes progress report and term grading periods, good citizenship & good attendance or they may be removed from the class. ASB members are expected to arrive to school early, stay late, or both, when needed to manage a school function AND keep up with their school work. Finally, I feel strongly about character and an ASB student must be an example of a leader on campus, both when they are being observed and when they are not.

Please print and sign below indicating you approve of your student applying for ASB and the expectations it requires and will allow them to fully participate in the program.
