6:00-7:00pm - Families from Central Park, Falcon Heights, Little Canada and Parkview Open House Night is designed to give families general information about RAMS, an opportunity to tour the building, and a chance to meet some of our staff. When arriving at RAMS, families will be given a passport/map and informational brochure.

Families will then be able to tour the building where stations will be set up with staff members who are available to answer questions and talk about their subject area.

Parking may be difficult with such a high number of visitors to the building at one time. We apologize for any inconvenience and ask that you help us by coming at your scheduled time and carpooling with neighbors if at all possible. Additional parking is available across the street at Abbott or Quora (look for signs for additional parking).

We look forward to seeing RAMS future 7th graders!
