Message from Mrs. Behnke

As students completed their school day the rooms to be abated were packed and ready. It was just minutes after the students left today when several people descended upon our school. I walked out of my office to the hustle and bustle as people began to move their equipment in and move classroom furniture out. Over break, the abatement will be 4 classrooms having their floor tiles removed, the west wing hall tiles, and 6 classroom chalkboards removed as the prep for the summer renovations. The air quality will be checked to meet standards before we re-enter.

I hope everyone has a nice spring break. Look forward to seeing everyone back on Monday, March 20th.

PTA Meeting Monday

Our next PTA meeting will be held Monday, March 20th at 6:30pm in the school library. Childcare will be provided. We look forward to seeing you there!
