SEMESTER REFLECTION

DUE: _____

Reflection is key to any type of service. Please prepare a typed reflection answering the following questions using 12-point font:

- Describe what you did for your service. Talk about the work you did, who you worked with, how you impacted the person you served and how you were feeling?
- What was the primary need you were helping to serve and how did your volunteer work help to eliminate that need?
- In Theology, we are studying the life of Jesus Christ through the New Testament. Where did you see Christ in your volunteer work?
- Christ's words and actions are the foundations for our Catholic Social Teachings. Reflect on one theme of Catholic Social Teaching and how you lived it out while completing your service work.
- As a result of your service experience, what is something you want to explore doing for your volunteer hours for your sophomore year? Why?

This will be due after students have completed their 10 hours and the Community Period lesson on Catholic Social Teaching – May 2023.
