- Action Item 5A concerns the bleachers' project at the high school. The bleachers are complete and paid for; however, the folks that conducted the ESSER (Elementary and Secondary School Emergency Relief Fund) audit requested that the Revised BG-1 (BG #22-503) be put on tonight's agenda and approved by the board.
- The school district had a minor impact from the March 3 windstorm. We had some damage to the greenhouses, chicken coops, and old school gym roof. All damages have been reported to our insurance.
- Thanks to Ofc. Adam Avery, who helps with our aviation program, for taking drone pictures of the progress of the new high school roof. Thanks to Mr. Jay Damron, too.
- As spring break approaches, we are looking at wrapping up the school year and planning for the 2023-2024 school year.
- A big thanks to Matt Shirley for hosting an excellent 16th District Basketball Tournament. We received compliments from the other four schools that participated.

Joey Shive: Will graduation be impacted?

Chris Huffman: The foreman is aware of graduation and will minimize the impact.

Josh Hurt: The crews are also aware of state testing dates, so construction will not interfere with students taking tests.
