

Water Safety Resources Serving Marathon County

Swimming Lessons:

Ensure that everyone in the family learns to swim by enrolling in age-appropriate swim lessons.

Water Safety Tips:

- Children and inexperienced swimmers should wear a U.S. Coast Guard-approved life jacket when in or near water.
- Watch kids when they are in or around water without being distracted. Keep young children and weak swimmers within arm's reach of an adult.
- Swimming in open water is not the same as in a pool. Open water may have uneven surfaces, sudden drop-offs, currents, and other hazards.
