

Grade Improvement Request Form

Grade Improvement Policy

The Student, for any/all grade improvement course(s) must receive prior written approval by the school counselor and/or administrator or it will not be considered for grade improvement.

Students who have received a grade of F, D, D+, C- or C in a core class may improve the grade during high school through the following programs:

- Retake the course on a space-available basis at the high school.
- Retake the course through the Issaquah School District Summer School Program
- Retake the course through the Issaquah School District Online Learning.
- In specific cases of high-level courses, a community college course taken on a college campus may qualify for grade improvement. In these individual cases, the counselor will specify the exact course which satisfies the requirement(s).

Please be aware that in grade improvement, not all programs may be offering the same courses as those taught in the Issaquah School District.

There will be no limit on the number of courses for which a student pursues Grade Improvement if the qualifying grade(s) was earned during a COVID related school closure.

There are limitations for grade improvement for courses taken outside of the COVID Pandemic:

IMPORTANT: Students may improve a maximum of 4 semester grades during high school (Grades 9-12). Per WAC 392-415-055 and WAC 392-415-070 the original grade earned must remain on the transcript however, the credit will be removed so it is not calculated in the student's GPA. The new grade, if higher, will be used in the GPA calculation.

Student Name: _____ Grad Year _____
