Last Day of School

Tuesday, 20 June 2023

Early Release: 10:40 AM

Here We Go!

There are only six more Mondays left until the end of the school year (that translates to 39 school days--and only 32 more for seniors). The year has flown by and we have a ton of great things still happening -- Spring sports are deep into the season with several tournaments still left. The Spring Musical is just around the corner (see the flyer on p. 2) and senior events begin next week! Within this issue of Panther Nation, there is quick blurb on the Mock Crash event that returns to MHS this year. This event, for juniors and seniors only, runs on a two year cycle (next event is in 2025). Be aware that the nature of this simulation includes full-scale first responder presence on campus on Thursday, 4 May from 9:00-10.45 AM. We will send out a reminder call the day before the event. Also highlighted in this issue are some of our amazing students and groups who continue to wow the community at home and abroad!

As a reminder, finals are not given early. Please refer to p. 17 of the [Student Handbook](#):
