## Meeting with the Estancia Drama Department

- On January 17, 2023 facilities met with the music and drama departments at Estancia High School to discuss and ensure that their programs requests were being incorporated into the theater design.
- During that meeting, staff discussed sizes of loading doors, capacity of dressing rooms, handicap seating, bathroom counts in front+back of house, and locations for of the CYC for use with projectors, among other technical details.
- The theater's design seemed to accommodate the wishes of the program and no major changes to the design were implemented.
