

## House Bill 3 Board Goals Summary

House Bill 3 (HB 3) amends Texas Education Code (TEC) to add Sec. 11.185 and 11.186 to include plans that target early childhood (EC) literacy and math proficiency and college, career, and military readiness (CCMR). Under HB 3, school boards are required to adopt plans in early childhood literacy and math, as well as college, career, and military readiness.

The Klein ISD Board of Trustees approved the initial HB 3 plans and goals in January of 2021. Progress toward meeting the goals are reviewed as results from each year are received. Additionally, professional development plans are updated annually, and each campus’s Campus Improvement Plan includes specific performance objectives related to the HB 3 requirements.
