

STAFF CONFLICT OF INTEREST

Employees of the Gallipolis City Board of Education will not engage in, nor have a direct or indirect financial interest in, any activity which conflicts with their duties and responsibilities in the District

Employees will not engage in work of any type in which information concerning customer, client, or employer originates from any information available to them through school sources.

Employees will not sell textbooks, instructional supplies, equipment, reference books, or any other school products to the schools in the District. They will not furnish the names of students or parents to anyone selling these materials.

If the Board of Education believes that a conflict of interest exists with respect to an employee's duties or responsibilities, it will take or direct whatever steps may be necessary in order to alleviate the conflict.
