CLASSIFIED PERSONNEL POSITIONS

Education is a cooperative enterprise in which all employees of the District must participate intelligently and effectively for the benefit of the students. This District will employ support staff in positions that function to support the educational program. All such positions will be established initially by the Board. For each new position, the superintendent will develop a job description for approval by the Board.

Although positions may remain temporarily unfilled or the number of persons holding the same type of position may be reduced in event of required staff reduction, only the board will abolish a position which it has created.

The Superintendent will keep all job descriptions current and present recommended changes to the Board for approval.
