

EDUCATIONAL OPTIONS

Educational options are learning experiences or activities designed to extend, enhance, supplement, or serve as an alternative to classroom instruction and meet the personalized and individualized needs of each student. Educational options are offered in accordance with State law, Board policy, and parental approval.

Experiences that the Board views as representative of educational options supplementing the regular school program include but are not limited to: independent study, distance learning, tutoring, educational travel, mentoring, and study abroad programs.

Fees are established for educational options as needed and are managed in accordance with Board policies for student fees.

Credit for approved educational options is granted in accordance with student performance relative to stated objectives of the approved instructional and performance plan and in accordance with all applicable Board policies.

The Board directs the Superintendent/designee to communicate information and procedures for educational options available in the District to students, parents, and all interested stakeholders.
