

**January 19, 2023**

- 1. Call to Order**
- 2. Roll Call**
- 3. Reports**
  - A. Student Wellness (Kayla Shaw – KISD Officer for Counseling and Whole Child Wellness & Jennifer Matus – KISD Counseling Program Coordinator)** – Reviewed support systems in place for Klein ISD students as well as employees. KISD counselors offer proactive and responsive support by building connections with students and building community through partnerships with families. Family engagement is offered via a YouTube channel as well as special events held on campuses. KISD counselors work closely with the Human Resources Department to assist employees as needed.
  - B. National Drug Trends (Susan Black – KISD Specialized Programs Counselor)** – Reviewed national drug trends from the past four years. Vaping is a nationwide epidemic, and many do not understand the health consequences. Overdoses from prescription medications have increased and this is primarily due to counterfeit pills laced with fentanyl. Students and parents need to be educated regarding these current trends.
- 4. Adjournment**
