## **A HISTORICAL OVERVIEW OF THE BOYS' LATIN SCHOOL OF MARYLAND**

Founded in 1844 by Evert Marsh Topping, a professor of Classics at Princeton University, The Boys' Latin School of Maryland is the oldest non-sectarian school in the state of Maryland. From 1844 until 1960, the School was located in downtown Baltimore and was operated by a succession of headmasters as a business. In 1960, Boys' Latin almost ceased to exist, as the School's Brevard Street location was scheduled by the city for demolition as part of urban renewal. The School's owners at the time decided to cease operations rather than undertake the rigors of relocation.

The three owners had, however, underestimated the impact Boys' Latin had made on Baltimore's educational and professional landscapes. Boys' Latin Alumni were leaders in the private and civic sectors of the Greater Baltimore metropolitan area and beyond. A movement began spearheaded by then-President of the Alumni Association, Jack H. Williams '38, to preserve the tradition of Boys' Latin. A lengthy search for a new campus site was undertaken, monies were hastily solicited and collected, a Board of Trustees was named, and the School was incorporated as a non-profit institution. Thirteen acres in Roland Park, the Cooper Estate, were purchased. Without missing a single semester, Boys' Latin opened in the fall of 1960 at its present location on West Lake Avenue.

In the last 63 years, the school has grown tremendously in terms of population, campus and curricular offerings. In September 2022 the school opened with 625 boys in grades K-12, a marked increase over the September 1960 enrollment of 120 in grades 1-12. Boys' Latin's campus has grown in that time from one building to encompassing both sides of Lake Avenue that includes a 28-acre property that is home to our boarding school which launched in the fall of 2021.

As steady as the BL growth was, no single event put the school on "Baltimore's map" more so than the 1964 Championship Lacrosse season, when our little 'David' of a school took on the 'Goliaths' of the MSA (the present MIAA) and emerged as victors! Boys' Latin had indeed arrived and has worked hard on staying there ever since. Boys' Latin began playing varsity lacrosse in 1929 so this year marks the 94<sup>th</sup> anniversary of Laker Lacrosse. Championship victories in 1932 and 1934 were not followed with another crown until 1964. The Lakers again won Championships in 1966, 1985, 1988, 1997, 2002, 2006, 2014 and 2021. Since relocating to Lake Avenue, Boys' Latin has reached the "A" Conference Championship game more than any other league opponent - 25 times! While it is virtually impossible to predict the season outcome when competing in the country's most competitive conference, one thing is for certain: The Lakers will play hard with a confidence that comes from a program that demonstrates excellence and sportsmanship time and time again.

Boys' Latin School has grown dramatically in its 179-year history. Though its face may be different – no longer at its downtown location or one-building school of the early 1960's – BL remains the same. The School led the way in building its overall program on the precept that individual attention can benefit boys of differing economic, social and intellectual backgrounds. The success of our students and the accomplishments of our graduates offer eloquent testimony to the continued merit of this philosophy.

## **BOARDING PROGRAM AT THE BOYS' LATIN SCHOOL OF MARYLAND**

The boarding program's credo at The Boys' Latin School of Maryland is that no boy ever stands alone – especially our boarding students.

Beginning in fall of 2021, Boys' Latin offers an immersive seven-day boarding experience. BL has welcomed boys from all over the country and around the world into our school, our homes, and our hearts.

In 2020, the school purchased 28 acres of property contiguous to our campus from the Josephite Order. The property included a state-of-the-art housing facility which BL has converted into 20-bedroom suites capable of housing 40 students – two students per room. Each room is nearly 300 square feet and includes a bathroom with shower.

Boarding fits seamlessly into BL's mission and represents a bold new chapter in our storied history. And, because it's designed from the ground up, our curriculum incorporates the latest innovations in both residential and all-boys education – helping us raise boys who thrive in a time when it has never been more challenging or more important.

The program builds in weekly dorm meetings, group dinners, and the opportunity to mentor our youngest Lakers, ensuring that our boarders are part of our BL community. The weekends are a busy time for boarders. The campus often bustles with athletic competitions, and numerous other BL events and activities. A plethora of activities are planned for each weekend, including everything from going out for breakfast to visiting museums in Washington D.C. to a ski or tubing trip in the nearby Pocono Mountains. Each of our boarding students is paired with a day student family for a home-cooked meal, a movie night, or a game at Camden Yards. This is just one more way of integrating boarders into our BL family.

At Boys' Latin, each and every one of our students is known -- for who he is today, and all he will be tomorrow.

## **BOYS' LATIN LACROSSE HISTORY**

### **CELEBRATING THE 35<sup>th</sup> ANNIVERSARY OF THE 1988 CHAMPIONSHIP TEAM**

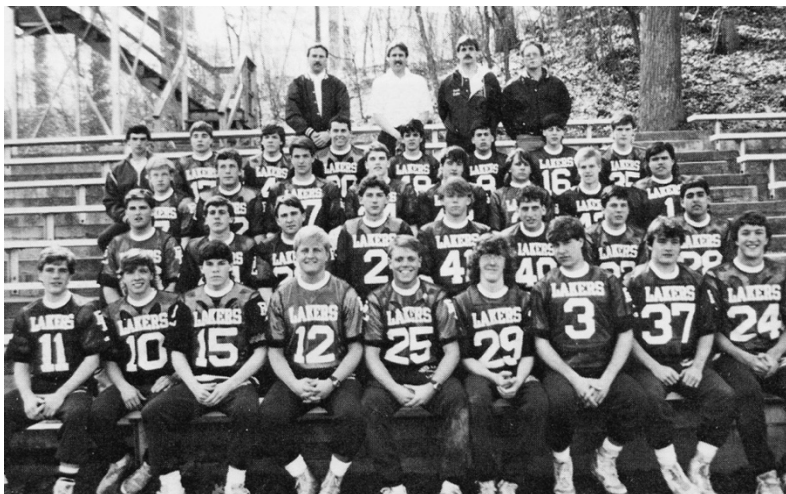

Boys' Latin was a talented team in 1988. Coach Bob Shriver's team had John Webster, Kevin Jedlicka, and Rife Hilgartner on attack. John Barcik and Keith Gertsen handled most of the face-off duties and were to run midfield along with Mike Lutz, Gene Ubriaco, Mark Moxley and Gary Blibaum. On defense BL would rely on Tom Taylor, Jeff Szczypinski, Randy Baker, and Luke Miller. John Hellman would handle the duties in the goal.

For the fourth time in five years the Loyola Dons and BL Lakers were going to face-off for the championship. Rain forced the game to be rescheduled due to the soggy field conditions at UMBC. Going into the game BL was ranked second behind the number one ranked Dons.

Playing before a huge crowd of more than 3,000 spectators, the Lakers and Dons played one of the most exciting championship games in recent memory. Both teams played a deliberate style during the first quarter feeling each other out and being cautious. Both schools' defenses were also very stingy. The goaltending on both sides was outstanding. Loyola took a 5-3 lead with 10 seconds left in the first half and seemingly possessed all of the momentum going into the halftime break.

However, at the start of the second half the Lakers managed to grab the momentum back when they won the opening face-off. They eventually came within one goal at 5-4 when Kevin Jedlicka scored on a great feed from John Webster. Loyola captured the momentum right back when they broke up an attempted clear and scored on a one-on-one situation against goalie John Hellman.

Loyola eventually went up by a score of 7-4. Most in the crowd believed the game was over since the Dons were known for maintaining their leads and winning games. The Lakers then went on a three-goal scoring spree and tied the game at 7-7. BL took its first lead of the game with 5:50 left in regulation when Michael Lutz scored on a bounce shot from in front of the goal. The final minutes were frantic ones with both teams running up and down the field trying desperately to maintain possession of the ball. The clock finally ran out on the Dons, and the Lakers won their second championship under Coach Bob Shriver.

Shriver's strategy in the game was to isolate the play, be aggressive, and challenge the Dons' man-to-man defenders. Five of the Laker goals were unassisted. The Lakers outshot the Dons 17-9 and controlled six of nine face-offs in the final two periods. BL's defense, led by Jeff Szczypinski and goalie John Hellman, held on in the frantic final minutes to secure the victory. "We isolated a little, and we were able to take advantage," Shriver told The Baltimore Sun. "We also had some nice transition in some unsettled situations."

Webster was sensational with two goals and two assists. Lutz had two goals and Jedlicka had a goal and an assist to lead the Maroon and White. The eight BL goals were the most goals scored against Loyola all season.

After the game an elated Bob Shriver told The Baltimore Sun that this was the biggest victory in his career as head coach. "I think back over the years and I remember our championship in 1985 and that was great, but this year we're playing the number one team, a team that hasn't lost all year," said Shriver. "This is great." BL's victory over Loyola denied the Dons the chance to become the first "A" Conference team since Calvert Hall in 1972 to go through the season undefeated.

John Webster finished the season with 39 goals and 38 assists. He was awarded the C. Markland Kelly trophy and became the second father-son winners and the first father-son combo representing the same school to win the prestigious honor. (Mick Webster won the Kelly Award in 1955). Webster also was named Player of the Year by The Baltimore Sun.

Coach Shriver, when asked about Webster, told The Baltimore Sun, "He is a very important part of our team. Probably John's finest asset is that he is a terrific team lacrosse player and I have never seen him quit on a lacrosse field." Shriver later wrote that John's great speed and outstanding stick work "single-handedly kept [BL] in some games and won others."

Defenseman Jeff Szczypinski was selected as a first team All-Metropolitan selection along with Webster, and Bob Shriver was selected as The Baltimore Sun's Coach of the Year. Michael Lutz was selected to the area's second team. Goalie John Hellman, midfielder John Barcik, and defenseman Tom Taylor were named Honorable Mention All-Metro selections. BL's defensive unit only allowed 5.3 goals per game during the season.

The Lakers finished the season ranked number one in the region with an overall record of 13-3.

## **LAKER RECIPIENTS OF THE C. MARKLAND KELLY AWARD**

The “Kelly Award” has been given annually for the last 74 years to the “Best High School Lacrosse Player in the State of Maryland”, and this is the only criteria for selection. Winners are selected by a committee chosen from the Maryland State Lacrosse Coaches Association (MSLCA), and selected media representatives. Prior to 1998, this award was presented to the “Best Player in the MIAA/MSA”. Since then, it has been awarded to the “Best Player in the State of Maryland.”

## **2022 TEWAARTON AWARD WINNER** **LOGAN WISNAUSKAS '16**

Last June, attackman **Logan Wisnauskas '16** was the recipient of the Tewaarton Award, given every year to the best college lacrosse player. (This award is similar to college football's Heisman Trophy.) This marks the second time in four years that a BL Laker has won the award. **Pat Spencer '15** won it in 2019.

This past season Logan finished second in the nation in points per game (5.94) and goals per game (3.44) for the University of Maryland. After putting up four points in the NCAA Final, for a total of 103 points in 2022, he finished his Maryland career with at least one point in all 75 of his NCAA games. Wisnauskas also had 14 hat tricks, setting a Maryland-record with 40 in his career. He set numerous additional records while at Maryland: points in a season (103), goals in a career (205), and points in a career (340).

Logan took home an NCAA Championship and is ranked fourth all-time in career goals and eleventh all-time in career points for all NCAA Division 1 men's lacrosse players. In addition, Logan was named the winner of the Lt. Raymond Enners Award, given annually to the NCAA's most outstanding player in men's college lacrosse. The award is presented by the United States Intercollegiate Lacrosse Association (USILA) and is named after 1st Lt. Raymond J. Enners, who attended the United States Military Academy, class of 1967, and was killed while serving in the U.S. Army during the Vietnam War. Pat Spencer won the award in 2019. Current BL Board of Trustee member **Joe Cowan H '21** was the first recipient of the award in 1969.

Logan was the top pick in the 2022 PLL Draft, joining the Chrome Lacrosse Club. Logan is now working with the men's team at High Point University.

Claxton J. "Okey" O'Connor was elected to the Hall of Fame in 1964. He coached the Boys' Latin lacrosse teams from 1931-1960. His BL lacrosse teams won MSA "A" Conference championships in 1932 and 1934 and annually were always near the top of the standings. Okey played lacrosse for Baltimore Poly and later played on the 1930 St. John's College National Championship team. O'Connor was a mathematics teacher, football and basketball coach and part owner of Boys' Latin School until its reorganization and move to Lake Avenue in the fall of 1960. Okey was inducted into the Boys' Latin Athletic Hall of fame in 2006.

### **JOHN F. KELLY**

John 'Jack' Kelly graduated from Boys' Latin in 1933 and was inducted into the Hall of Fame in 1969. He was the goaltender for the first Boys' Latin Championship team (1932) and was an All-Maryland selection at his position. Kelly took his skills to the University of Maryland, and the Terps lost only one game during his three years in the goal. He was a 1<sup>st</sup> Team All-American selection in 1936 and 1937. Jack was inducted into the BL Athletic Hall of fame in 2006.

### **HOWARD "HOWDY" MYERS, Jr.**

An outstanding football and basketball player at Boys' Latin and the University of Virginia, Howdy is best known for his legendary coaching abilities, and is credited for the rise of lacrosse on Long Island. In his 46 years as a coach (1933-1979), his teams compiled a lacrosse record of 379-141-6. Myers is responsible for establishing the St. Paul's (1936-46) lacrosse program – under his leadership the Crusaders had a 135-18-2 record. In 1946, Howdy took his skills to Johns Hopkins, where from 1947-49 the Blue Jays went undefeated, and winning three national titles. In 1950, Howdy became the athletic director, head football and lacrosse coach at Hofstra, where his lacrosse teams had a 180-115-3 record. Howdy was inducted into the BL Athletic Hall of Fame in 2006.

He broke his ankle in the spring of 1946 but still was selected to play in the 1946 MSA Lacrosse All-Star game. Don was captain of the 1947 Division II championship lacrosse team that lost to Gilman in a thrilling title game 7-6. Later that spring he received the Maryland Officials' Association Award as the best lacrosse player in the MSA. Don went on to attend Princeton University. In the spring of 1951 he finished his remarkable college lacrosse career at Princeton and was named first team All-American at attack for the second straight year leading the Tigers to the national title. We feel that this is a wonderful and unique opportunity for the youngster who wishes to learn, understand, and improve his lacrosse skills.
