CURRENT 9th, 10th & 11th GRADERS

Apply to Serve on the Superintendent Student Advisory 2023-2024

Deadline: May 5, 2023

Superintendent Rundle is actively seeking applicants who will be attending MIHS in 2023-2024 as sophomores, juniors and seniors to serve on the Superintendent Student Advisory (SSA) for up to a two-year term. SSA members attend eight meetings during the period October through May. Meetings are generally held the first Wednesday of each month from 3:15 to 4:30 p.m. SSA members share student perspectives at advisory meetings and represent the voice of MIHS students on issues and policies directly affecting the student body. SSA members may also participate in a linkage session with the MISD Board of Directors.

Four students from each grade level are represented. For more information on selection criteria and for application materials, please link [here](#). Students serving on the SSA will be chosen through an interview process held the fourth week in May. This is a great leadership opportunity for students!

If you have any questions, please contact MIHS Administrative Assistant, Kristin Brintnall

The MIHS Islander is collecting information for the senior issue. Seniors- please submit your will by April 28th and your post graduation plans by May 5th. Find the links to the surveys on schoology.

Seniors: Please be sure to pay your fines and fees. You can check your balance by logging in to Online Payments on the MIHS home page. All fines/fees must be paid to buy prom tickets or receive your diploma after graduation.

There has been an increase in parking issues. If you do not have a parking pass you may not park on campus. If you have a parking pass you must park in the lot that you have been assigned. You may not park in any other lot or in the Staff Lots. There is no reason that any students should be in the Band Lot other than getting dropped off or in the loop. The band lot is 100% staff parking now. Tickets will be given and fines will be enforced.
