Woodburn School District Background Check for Volunteers

The information requested below will be used to complete your background check. Please respond to each question with accurate and honest information. Failure to provide information or providing inaccurate information will result in the denial of your application. If you are unable or unwilling to provide a Social Security or a Driver License number, the Woodburn School District may be unable to do an adequate background check for you. Due to this, the district would be unable to approve you as a volunteer. However, parents may always participate directly with their child without official designation as a volunteer, providing the school allows it. If that participation involves a field trip, the parent must provide their own transportation to and from the destination. Parents without official volunteer designation may not supervise any students, other than their own child.
