April 20, 2023	A-10

Title

Recognition of 2022-23 Regional and State Science and Engineering Fair Winners

Requested Action

School Board Recognition of 2022-23 Regional and State Science and Engineering Fair Winners

Summary Explanation and Background

Cherokee County School District hosted school-level Science and Engineering Fairs. Nine middle school-level winners participated in the 2023 Northwest Georgia Regional Science and Engineering Fair (NWGA RSEF) hosted by Reinhardt University on February 4, 2023. Two of these student projects received first or third place honors awards and four total students advanced to the state level fair.

Two of the middle school students competing at the state level fair received first place honors awards and two of the students received fourth place honors awards at the Georgia Science and Engineering Fair (GSEF), held March 30-April 1, 2023 in Athens, GA. Students also received several special state and regional awards from various organizations including Cobb Electric Membership Corporation, Gas South, and Cherokee County Water and Sewerage Authority.

Priority Area

Student Achievement: Access and Opportunity

Financial Impact

N/A
