Location: Sabin Schellenberg, 14450 SE Johnson Rd. Milwaukie, OR 97267

Credit/ Grading:

- To earn a **PASS** on the transcript and a .5 credit, students must complete at least 60% of a course at an achievement level of 60%.
- To earn a **LETTER GRADE** on the transcript and a .5 credit, students must complete 100% of a course. The grade will be based on the achievement level to earn an A (90%), B (80%), or C (70%).

NOTE: A PASS on a transcript is generally not accepted at most 4-year universities. A PASS is generally accepted at 2-year community college and training programs. If you are planning to apply for an Oregon Promise grant, you need a 2.0 cumulative GPA. A PASS will NOT impact your GPA, so you will need to meet the requirements to earn LETTER GRADES in your summer classes.

The summer program provides short and intensive instruction and support. We want all students to be successful! To support student focus and learning, students will be expected to follow these policies:

Attendance:

- **Absences:** There are no EXCUSED or UNEXCUSED absences in Summer School. **A student can miss no more than one class in a session to still earn the credit.** Students sent home for any disciplinary action are considered absent for that day.
- **Tardies:** A student will be considered tardy if s/he arrives up to 10 minutes late for any class. More than one tardy will result in disciplinary action including possible removal of the class.

Discipline:

Discipline issues may result in a student being released from the program. Depending on circumstances, disciplinary notes will be recorded on the student's regular school file.
