The Title VI American Indian Education program in the Boulder Valley School District, is intended to meet special academic and cultural needs of American Indian students.

The Title VI program is coordinated through an American Indian Parent Committee composed of parents, BVSD staff, and students. They advise the Boulder Valley District in the direction and implementation of the Title VI American Indian Education program. It is the intent of the Title VI program to collaborate with the existing programs in the Boulder Valley School District.

Please see the 2023-2024 proposed grant focus/budget development on the BVSD American Indian Education website
