April 2023

Hello Pioneer Families,

I do hope you had a wonderful spring break with your student(s). We are down to the last 33 days of the school year. It's amazing how time flies!! With that in mind, it will be important that our students stay the course, attend school every day, and continue to do their very best.

April happens to be one of my most favorite months. It's the time when the sunlight makes its long waited appearance and the temperatures are still cool enough for us to be comfortable. It's also the time when we see our students work their hardest as they press to reach the finish line of the current grade they are in. It's exciting to see the effects of the learning that has taken place over the last few months. Another exciting happening in April is our annual Jogathon fundraiser where every student will participate by jogging as many laps as they can around our school's track. Your student should have come home with a flier explaining the fundraiser and the exciting prizes that will be up for grabs. We do hope that you will join us in either volunteering and cheering our students on! Please note that as with every event, parents must first enter the office for a visitor's badge.

Many of our students have been preparing to take the California state assessment. This yearly assessment will be given to students in grades 3<sup>rd</sup>-8<sup>th</sup>. It will be greatly beneficial for students to have a healthy breakfast each morning. Please keep in mind that our school serves breakfast from 7:40-7:55/8:00 for students in AM TK, 7<sup>th</sup> and 8<sup>th</sup> grade and until 8:10 for students in grades K-6. Please make every effort to schedule appointments outside of the school day if possible. Testing will take place before 10:00 am for students in grades 3-6. Testing times will vary for students in grades 7<sup>th</sup> and 8<sup>th</sup>. Please reach out to your student's teacher should you have questions regarding the state assessment.

Thank you,  
Karen Ridley, Principal
