Did you know that children who reside in a household with an Adjusted Gross Income (AGI) at or below 400% of the federal poverty level qualify for an ACE Educational Savings Account? That means a family of 4 can have a gross income of up to \$111,000 per year and still qualify for the ace benefits!!! Just this month, the benefits have been increased from \$500 to \$1000 per child. What this means for you is if your child qualifies based on the above income guidelines, he or she could attend all 5 weeks of day camp at only \$265 out of pocket! Go to education.ohio.gov/OhioACE for more information and to apply.
