To the best of my knowledge, the information given in this application is accurate and complete. If selected for the Board Intern Program, I agree to make a commitment to actively participate and follow the roles and responsibilities of the position. I understand that I must try to attend every public scheduled board meeting, and meet with the committee on a quarterly basis to communicate the concerns of my peers. If I am unable to uphold the responsibilities of a student intern, I understand that my position will be filled by an alternate student intern.
