

Aurelia M. Cole Academy 2023-2024 Registration Form

Grade 6

Student Name: (Last) _____ **(First)** _____

ACADEMIC and ELECTIVE COURSE SELECTION

Each student is required to take four academic core classes each year: **Language Arts, Math, Science and Social Studies**. Students who are staffed into the gifted program will automatically receive services through a core academic course. Most students will have two elective periods. Selecting 2 full year courses, 1 full year/2 semester, or 4 semester courses will satisfy the elective periods. All students must take PE/Dance or have a signed waiver. **(For more information on elective courses, please view Elective Course Information on the school's website).** Selection of courses **does not guarantee placement**. Any student that scores a Level 1 on the FAST Reading will be scheduled in at least a semester of a yearlong Literacy course, in place of one elective. Students that want to take Algebra for high school credit in 8th grade, must take the advanced math courses. Advanced and standard core courses are determined by prior year FAST scores, teacher recommendation, and student request. **Please rank your top 6 selections, 1 through 6, with 1 being your first preference.**

Core Content Input Form			
Math 6 Standard <input type="checkbox"/> Math 6 Adv. <input type="checkbox"/>	Full Year		
<i>Previous scores will be reviewed and can affect placement</i>			
ELA 6 Standard <input type="checkbox"/> Pre-AICE ELA 6 Adv. <input type="checkbox"/>	Full Year		
<i>Previous scores will be reviewed and can affect placement</i>			
ELECTIVE CHOICES			RANK #1-6
