***Schedule is TENTATIVE. It may change on any date for various reasons at any/all levels. Please make sure to pay attention to team communication on practice changes on a daily basis. All times are PM, unless otherwise noted. Practice times may end sooner than noted on the schedule. If no field is noted, assume that practice/game is taking place in the stadium. After Spring Break, lower levels typically start to use VHAC, but that is extremely weather dependent.

NOTES:

All home games are played in the turf stadium unless otherwise noted.

VHAC = Vernon Hills Athletic Complex

(14) = Game Field 14 aka Backfields
