

PARENT CANVAS INSTRUCTIONS: *How to become an Observer*

Parents can sign up as an observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignments due dates, announcements, and other course content. Observers can view the course content but cannot participate in the course. We highly recommend using Chrome for your browser.

To generate a **Student** Pairing Code:

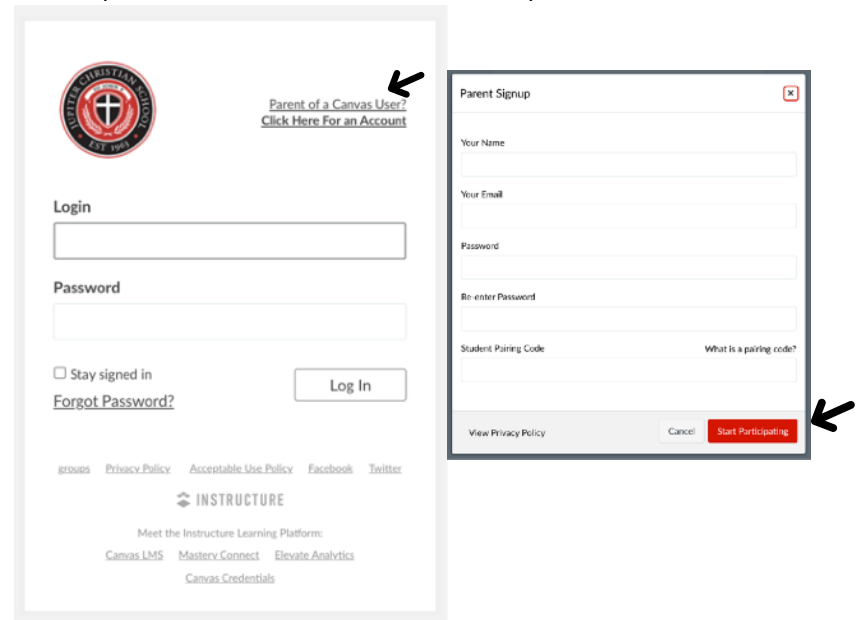

1. Have your **student** log into their Canvas account at jcseagles.instructure.com
2. Choose *Account* then *Settings*
3. On the right, select "Pair with Observer"
4. Write down the pairing code generated
**Note: the code is case sensitive and will remain valid for the next 7 days*
5. Follow the instructions for creating a Parent Account

To create a **Parent** Account:

1. Type the entire JCS **Parent** Canvas URL below:

← → ↻ jcseagles.instructure.com/login/canvas

2. Choose *Parent of a Canvas User?*. Enter the Signup details and click *Start Participating*.
