

What is CANVAS Parent

Each MPS Parent/Guardian can create a Parent account to monitor their students' CANVAS Courses including assignments, grades, support materials and comments from teachers.

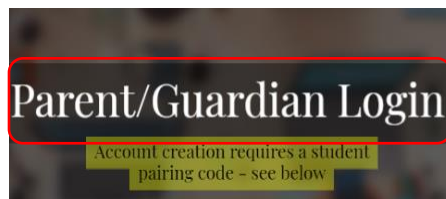

Step 1 – Pairing Code

To create a Parent account, you will need a student Pairing Code. Your student will open their CANVAS Course (mobile or desktop version) and Select: Account / Settings / Pair with Observer. This is your Pairing Code (case sensitive).

Step 2 – Create Parent Account

Navigate to: mooreps.instructure.com and select Parent/Guardian Login and then select: Click Here For an Account.

Fill in Parent Signup form and enter the Student Pairing Code from Step 1. Use your personal email and create your own password. Click: [Start Participating](#)

Step 3 – Monitor your student

The CANVAS Dashboard will show all published courses for the student. Click on a course you would like to monitor.

Click on Grades from the menu on the left to see a grade summary for this course. You can switch between courses by clicking on the drop-down arrow to the right of the course name and then clicking on Apply.

Step 4 – Use Inbox to message teacher for additional information

Click on the Inbox Icon on the left navigation screen. Click on the Compose Message Icon. Select the appropriate course from Favorite Courses dropdown. Click on the Contacts icon to see a list of teachers for that course. Compose your message and click on Send when finished.

The screenshot shows the left navigation menu with 'Inbox' highlighted. The 'Compose Message' dialog is open, showing 'Course' and 'Subject' dropdowns. The 'Subject' dropdown is expanded to show 'Teachers', 'Students', and 'Observers'. The 'Compose Message' dialog also shows fields for 'Course', 'Subject', and a checkbox for 'Send an individual message to each recipient'. The 'Send' button is visible at the bottom right of the dialog.
