Payment Schedule

Parents have the choice of paying each term or annually. Tuition and fees for current students are due and payable before the beginning of each term. Tuition and fees for Term 1 starting August are due on 24 July 2023 with a security deposit due on 2 June 2023. Tuition and fees for Term 2 starting January are due on 1 December 2023. Tuition and fees for Term 3 starting April are due on 18 March 2024.

All fees for new students are due at the time of enrollment within 2 weeks of acceptance of a place. Students may not start school until full payment has been made. Registration for the academic year 2023-2024 completed within March 2023 will be charged in 2 installments. The first installment will be the payment of the registration fee and the development fund/fee. The second installment, invoiced in May 2023, will be the tuition fee and other fees.

Inclusions and Exclusions

- EY1 to Grade 10 tuition fees include all materials, workbooks, textbooks, most class field trips, and AISAA coaching and clubs.
- Tuition fees for Grade 11 and Grade 12 cover the cost of IB Exam fees but do not include textbooks or fees for changing subjects past any stated course/programme change deadlines. Grade 11 students are responsible for purchasing their own textbooks for the subjects they are enrolled in. The cost for new textbooks ranges from approximately 20,000 to 45,000 Baht per student. Additional expenses may be incurred for certain courses, such as Environmental Systems and Societies, which may require fees for overnight field trips. If a student opts to take online DP courses, the fees for these courses must be paid for by their parents.
- All tuition fees do not cover the cost of afterschool activities, uniforms, and residential trips.

Student Group Accidental Insurance

KIS provides Student Group Accidental Insurance Policy that applies to activities authorized by and under the supervision of school authorities during the school year. Activities also include school official one-day expeditions, AISAA games/tournaments and military reserve training. The accidental coverage is 65,000 baht for medical treatment per one accident and 150,000 baht for loss of life, dismemberment, loss of sight or permanent disability.

The school's liability and insurance coverage are limited to the above sum. Whilst the school considers this level of cover reasonable and acceptable, it is highly recommended that each student also has his/her own medical policy appropriate to their circumstances. The details of Student Group Accidental Insurance Agreement can be obtained from the School Services department.

Families who have chosen to pay the annual development fee are required to pay a re-enrolment security deposit of 40,000 Baht which will then be deducted from the amount to be paid for the tuition fee of the 1st term.
