PaySchools Central makes school payments quicker and easier.

Parents, pay your student's lunches and school fees online at [PaySchools Central.com](https://payschoolscentral.com) or by downloading the PaySchools Central phone app on the Apple App Store or Google Play.

Creating a PaySchools Central account is easy, quick and free! Simply add your child to the system using their student ID number and some other basic information. Next, the system will take you through a step-by-step registration process. A **DASHBOARD** gives you access to a variety of features that will make the management of your student's fees and meal applications easier.

FREE AND REDUCED MEAL APPLICATION - New this year, **ALL** West Muskingum parents, (including online learning students), are required to complete a free and reduced meal application. If you need a paper copy to complete, contact your child's building. QuickApps 2.0. allows you to quickly and easily fill out a free and reduced cost meal application online on your PaySchools Central account in a secure, step-by-step portal.

In an effort to maintain social distancing, we encourage parents to take advantage of PaySchools Central as the primary meal and classroom fee payment method.

LUNCH PAYMENTS - Make a single lunch payment or take advantage of the convenient Auto-Replenishment feature, which automatically deposits money when your balance reaches a certain level.

FEE PAYMENTS - PaySchools Central allows you to schedule and automate fee payments. You'll receive an email with a receipt listing the item(s) and transaction amount.
