

## Activity Point Guide

- In general, all clubs receive one point per year or a ½ point per semester. This applies to all very active members and officers. If students were not extremely active in the club, you may award a smaller amount at your discretion.
- Sports and other time consuming activities receive 2 points per season as you can see.
- Points may not be “anticipated.” Students can only receive points through December. However, sports that are in the middle of the season, such as swimming, basketball, or winter cheerleading, may receive the full 2 points.

### Band and Choir

Marching Band 2 points for full season	Color Guard 2 points for full season	Pep Band teacher’s discretion	Concert Bands teacher’s discretion
