

National Honor Society Teacher Recommendation Form

You are responsible for listing 3 teachers that would recommend you for national honor society based on the four pillars – **Scholarship, Leadership, Service, and Character**. At least 2 teachers should be from the **five core classes** – Math, English, Science, Social Studies, World Language – the third recommendation may be from any teacher at **CGHS**. You need to ask the teachers before submitting their names.

You will need to print this form (electronic signatures are not allowed) and ask each teacher to **STAMP** (not sign) their name as a recommendation. These teachers **DO NOT** need to write a letter of recommendation. Their stamp will be sufficient.
