3. Principal's Report

- Increased principal presence to promote safety at drop-off
- 6th grade schedule changes due to increased enrollment (343 total); Aqua teacher added, moved from CGMSN
- Redistricting next year may cause more shifts in sizes; we sit at 950 now with extra classrooms still available; possibility of multilevel team of teachers for 7th / 8th grade in future years to accommodate growth
- NWEA testing – 8/9, 8/10, 8/13 - classes operate on 2hr delay class schedule to create time for testing and allow them to attend each class in the day
- Homeroom 1st day of school – this was new to promote connection with kids in their class and that teacher (creating relationships promotes safety); students usually have homeroom teacher for another class in their day as well; they might do this again after return from breaks but operate on a 2hr delay class schedule
- Counselor QR code now in agenda book, scanning this sends an immediate message to counselors; this was done to promote kids using this in a more discreet manner
- We are his voice in the community, he is open to all concerns we might have / hear

Questions to Principal:

-HS days off, does this affect us? No, but students who to HS for classes will remain at CGMSC on those days, staff will direct this. In the future, planning to send teachers for professional development for E learning and that will become an option in this circumstance and snow days. E learning means students have their ipads at home and can still participate in learning / teaching

-Staffing changes? Morgan (front desk) & Barry (custodian)? Mary moves to reception position and Mrs. Benedict (office staff member) will assist with relief. Custodial staff still includes Connie and now Mike.

-Lunches, what's the plan for seating? 8th grade gets freedom of choice (unless behavior results in loss of privilege); 7th grade starts out with team-based seating with assigned seats then next step would be assigned seats anywhere they choose; 6th grade starts out with assigned seats by teacher's class they arrive to lunch with.

-Registration, anything to note for next year? Great Success!

-Daily announcement change – morning over PA will be allegiance, lunch options and moment of silence; at the end of each lunch period the CGTV will be played
